BIOGRAPHY

Sr Eunice Namane is a Professional Nurse who entered the nursing profession in 2014, building her career on a foundation of positivity, humility, and a genuine commitment to learning from colleagues, seniors, and patients alike. This outlook has shaped her steady growth across Medical-Surgical, Paediatric, Maternity, DR-TB, and Primary Health Care settings, and now underpins her leadership as Infection Prevention and Control Coordinator at Dr J S Moroka District Hospital since 2023.

In this role, she leads IPC activities in line with national frameworks, chairs the IPC Committee, and guides institutional strategy on risk management, compliance, and quality improvement. She is a strong advocate for using research and data to strengthen patient safety, and represents her institution on the Free State Department of Health Research Committee in collaboration with the University of the Free State and the Central University of Technology, having contributed to the 13th Annual Research Day in 2025.

Sr Namane's dedication to excellence in patient care and mentorship has been recognised through numerous provincial and national accolades, including Best Professional Nurse (2023, 2024), Best Provincial Midwife (2024), and the Marilyn Lahana Caring Award at both provincial and national level (2025).
